

Specialized care that's tailored to your loved one

Our communities are staffed by special people who are carefully chosen for their patience, kindness and empathy. They take the time to learn each resident's story so they can connect, interact and provide services on a more personal level.

Services bundled into your monthly rate include:

- ▶ 24-hour licensed caregivers
- ▶ Daily personal care
- ▶ RN supervision
- ▶ Medication administration
- ▶ Bathing and dressing assistance
- ▶ Nutritious, home-cooked meals, plus snacks anytime
- ▶ Specialized programming and fun bus trips
- ▶ Secured building and courtyard
- ▶ Housekeeping and laundry
- ▶ Personal transportation
- ▶ Personal shopping

Note: Families are responsible for services not provided by CountryHouse.

We feel like the staff is an extension of our family.

A soothing environment that feels like home

Each CountryHouse building is designed in collaboration with memory loss experts to look and feel familiar, rather than institutional.

The list of amenities can include:

- ▶ Comfortable common dining areas and living rooms for socializing
- ▶ Bedrooms clustered in quiet wings
- ▶ A hands-on kitchen for residents to participate in cooking activities
- ▶ Circular pathways for taking walks both indoors and out
- ▶ Secured entries
- ▶ Cable TV
- ▶ Onsite salon and spa
- ▶ A family dining room for visitors
- ▶ An unobtrusive health care office
- ▶ Spacious gathering room with a fireplace
- ▶ An enclosed courtyard with a patio, gardens and a water feature

Note: The specific amenities available will vary slightly by community.

It is so deeply appreciated to see and know that your parent is so well cared for at all times in such a sincere manner.
